

Keith's 25 års Jubilæum

Tåstrup d.07.11.2008

VERSE 1

Have you seen the old man
Who walks out of ALLER
Dirt in his hair
And blue marks on his lår
Aldrig mer' en falder
Aldrig mere ferag
Kun fordi han er older
Slutter det så snart

CHORUS

Men how can du say
Du were træt oh so træt
When all them fejl
Were elektrisk?
So nyd din nye freedom now
And se some football on dit tv
Play en masse golf
Og husk nu to slap off!

VERSE 2

We har rejst på kusus sam'n
I Frankrig du explained:
"Jeg bar' grab en bor' maskine,
And drill it right in"
Sweitz var dog det wildeste
Du så something we not så:
"There's a lifeboat
Hanging right up in the luft"!!

CHORUS

Men how can du say
Du were træt oh so træt
When all them fejl
Were elektrisk?
So nyd din nye freedom now
And se some football on dit tv
Play en masse golf
Og husk nu to slap off!

VERSE 3

Through the years we've learned some things
About you, mister Lakey
Better Øl than rødvin,
For det' noget gammel lort.
Johnny han er som din son,
Except in few cases:
Når han spiser snegle
Og lugter lidt af garlic.

CHORUS

Men how can du say
Du were træt oh so træt
When all them fejl
Were elektrisk?
So nyd din nye freedom now
And se some football on dit tv
Play en masse golf
Og husk nu to slap off!

VERSE 4

Have you seen the old man
Who walks out of ALLER
Han har en knowledge
om den trykmaskine!
Man we're gonna miss you much
Du' our favourite guy.
Men in a few months
Slutter du på job.

CHORUS

Men how can du say
Du were træt oh so træt
When all them fejl
Were elektrisk?
So nyd din nye freedom now
And se some football on dit tv
Play en masse golf
Og husk nu to slap off!
